70 Blue - Bye week

80 Blue 14 Abington 0 - 80lb Blue is on fire, The defense led by Nick Silenok, Mike Muzyk, Eric Daughterman, Owen Sienko, Cameron Harcar, Andrew Simcox, Jimmy Stetson, Johnny Hughes, Ryan Harkins and Michael Walker only allowing 2 first downs the entire game and recorded their 3rd shut out of the year. When Abinton finally began to move the ball, Linebacker Brett Gross intercepted the ball putting an end to any hope for an Abington Score. The Offensive line led by Bobby Anselmi, Blaze Binkowski, Kyle Everett, Mike, and Nick had some impressive blocking, allowing quarterbacks Jimmy Salvati and Evan Matthews complete numerous passes to Patrick "sure hands" Cambell and Anthony Papeo for large gains. Running backs Tommy Dempsey, Chris Arcidiacono and Matt Tarity had some impressive runs for some big yardage. What a team effort! A big thank you to Nancy Silenok (Team Mom) for the great snacks at halftime. Bring on New Hope Solesbury. Go Cats!!

COACHES CORNER

80 White 20 Conestoga 0 -First week in October and boy we were rewarded from last weeks rain soaker in Souderton to a perfect day in Penn del. We hosted the Conestoga Generals and to be quite honest, I'm lost for words. **Every single player on this team deserves recognition.** To Start with, we had touchdowns from Danny Aquilone; Matty Wallick and Mike Cressenso. Brandon Coaxum, Evan Brooks, Conner Bayer, Dalton Armahanov, Gavin McGinty, Daulton Benedict, and Collin Goodman all contributed with their assignments with outstanding blocking creating the holes we needed to control the pace of the game. Hunter Burns not only dominated the Generals with his blocking, but he also managed to catch a 20 yard pass from Jordan Love. Defensively you can almost say we were perfect. We managed to keep the Generals from scoring, giving us our second shut-out of the season! Matty Wallick had multiple tackles along with an interception he returned about 15 yards to boot! Evan Boyle also got involved with his first fumble recovery of the year. Grant Cook, Patrick Culligan, and Dillon Slusser frustrated their offensive line all day long with Dillon recording 3 sacks. From what I heard it must be the gloves! Skylar Janzen, Jordan Love, and Shane Seacrest stuffed the middle so well, it forced the Generals to go outside. Little did Conestoga know that would be a mistake. Shane Nelson and Colton Wilson contained the ends with Evan Brooks holding his own on the outside along with Nathan Broskley making a nasty tackle towards the end of the game letting the Generals know who the Wildcats really are!!!

90 Blue 12 Northampton 26 - No report

105 Blue 19 Horsham 12 - No report

105 White 12 Horsham 19 - The Wildcats hosted Horsham this weekend for a Friday night game under the lights. The Cats marched right down the field early and scored with solid blocking across the entire line. Horsham answered right back with a score of their own. Several great stops were made from both teams keeping each other off the board until the closing seconds of the first half as the hawks picked off a pass and scored quickly. With another quick score from Horsham after the half, the Cats fought hard and stopped the Hawks time after time. The Cats scored again and had their chance in the closing seconds, but Horsham held tough at the 10 yard line with a final score of 19-12.

105 Silver 25 Marsh Creek 19 - No report

120 Blue 16 Quakertown 7 - The 120's did it again. They sent the Quakertown Panthers packing. The Panthers gave us some cause for concern in the first quarter of the game with an early touchdown and extra point. The 120's started pushing the ball down the field. Winston Zeberlein started the push with a nice carry down the field. However a fumble was recovered by Quakertown putting us on the defense. After giving up the first touchdown, the Wildcat Defense played awesome and kept Quakertown out of our red-zone for the remainder of the game. Kasai Farris had the first touchdown for the Wildcats and Kieron Hardrick had a beautiful kick for two points making the score 8 to 7. We made the panthers pace when their fumble was recovered by Nick Zaino. Kieron really got into the game when his helmet got tangled with a panther's helmet in the second quarter. A time out was needed to separate them. Kasai followed Nick's lead with a beautiful touchdown. Kieron with his magical feet made the next two points leaving the score at 16 to 7. Isaiah Williams, Chris Griggs and Matt Bianchino showed those Panthers what it was like to be in our house. The panthers again had butterfingers and Ryan Mongillo recovered the fumble for the Cats. The entire Offensive Line played a key role in both scoring drives. They are: Chris Griggs, Nick Zaino, Matt Bianchino, Wade Polster, Noah Kisselback, Matt Simcox, Dustin Keen, Joel Thibodeau, Cale Kitchenman, TJ Garlick, Alec Shaffer and Tyler Bayer. Stay tuned for the 120's rumble with the raiders.

135 Blue 36 Horsham 16 - No report
