## VOLUNTEERING

**We are always looking for help.** Trash needs to be picked up around the complex. Bathrooms need cleaning. The field needs to be setup and taken down on game day. We are not getting enough people in the snack stand for games. We can't guarantee that we can open when we don't have enough people. We also need adults that can work the game clock and/or announce the football games. Announcers need to remain fair and not cheer-lead from the pressbox. Homecoming, yearbook, and end of the season banquets are also a great way to volunteer.

**Please help us take pride in our facility.** Penn del Borough does not contribute in any way to our program. We have to do it all ourselves, so please pitch in. All of the work you do benefits not only your child, but every Wildcat family.

## PHOTO OF THE WEEK

I'm getting a few ideas and suggestions for the slideshow for our banquet. I still could use more help. Also, Ill be taking pictures at Homecoming, so please look for me and grab my attention! You and your friends just might make the cover for the yearbook!

There are a lot of home games this weekend and I plan on being around for most of Saturday and Sunday. Let me know what number your son is or who your daughter is and Ill be glad to take a few pictures for you! I thought this weeks picture would get us on "the right foot" or lets "kick off" this weekend with everyone winning! GO CATS!

Remember if your child is in this weeks photo, email me by Friday to receive your free 5x7 . [SCAPER96@COMCAST.NET](mailto:SCAPER96@COMCAST.NET)

## BANQUET AND YEARBOOK

Information regarding end of the season banquets and yearbook should be available shortly. Make sure you check future newsletters and the website for any updates.

## COACHES CORNER

### Week 5

**Flag 1** - What an intense game. Great job by Brody McAndrew, good running by Bryce Pannone. Excellent defense and shout outs to our offensive lineman. Great job boys!!!

**Flag 2** - No report

**Flag 3** - No report

**Flag 4** - No report

**70 White 6 Bristol 0** - No report

**70 Blue 12 Lenape Valley 0** - If you like defense this was the game to see, for a group of 7 year olds to play football the way Penn del's 70lb blue played was unbelievable. Lenape Valley had 3 first downs the entire game! Along with only giving up 3 first downs, we also had our 1st defensive touchdown of the season. Our front line did a great job getting off the ball, our linebackers stepped up and filled the holes, our ends and corners did an outstanding job turning the plays back inside and our safety did a good job letting nothing get behind him. Our offense did a good job as well. This game was a different experience for our kids. Not only was it the first game they played in the rain, we played the game at C B West High School on astro turf. For playing this, our 1st game away , in the rain , on astro turf , it looked liked our kids knew just what they had to do to win, nothing bothered them. GREAT JOB BOYS!

**80 Blue 19 Pennridge 0** - No report

## COACHES CORNER

**80 White 19 Souderton 26** - Our theme song lately is "On the road again...Just cant wait to get on the road again..."We decided to journey up 309 and enjoy a wonderful rainy day in Upper Bucks County to play against the Souderton Braves. We started out very strong with a fumble recovery by Nathan "Chicken Hawk" Broskley followed by a huge run by Danny Aquilone that gave us 1st and goal. We weren't able to capitalize on the field position and before you knew it, we were down 13 points. We did manage to fight back to tie the game up 13-13 with scores by Danny Aquilone and Daulton Benedict. Our offensive line not only dealt with the rain, but they also wiped away any pressure the Braves threw at us with outstanding play from Connor Bayer and Dalton "Arm & Hammer" Amaharnov. Schuler McCord-Janzen provided great defensive play on the inside along with Evan Boyle with multiple tackles. Hunter Burns gave us our 3rd TD of the day, but unfortunately we fell short by 1 TD. It was a hard fought battle but in the end "The rain drops just kept falling on our heads.....".

**90 Blue 20 Lenape Valley 0** - The Penndel 90 pound team continued its winning ways on Saturday afternoon with a 20-0 victory over Lenape Valley. Penndel took a 7-0 lead in the 1st quarter with a beautiful pass from Mason Jones to Owen Foraker. After that, the offense clicked on all 8 cylinders with TD runs by Mason Jones and Hayden Rooney. The offensive line did a fabulous job all day with outstanding blocking by Dante Murphy, Kevin Frederick and Kyle Wenclawiak. Defensively, the Wildcats shutdown Lenape Valley all day. Juave Walker, Ford Bowman and Michael Garlick ensured our opponent never got outside for any big runs. Bailey Morris had two outstanding QB sacks which stopped a potentially long drive in the 4th quarter. The best part of this weeks win was the fact that so many Wildcats got an opportunity to run the ball in the second half. The smiles on the kids' faces after the game spoke volumes with what playing youth football is all about. Next up for the Wildcats is the Northampton Indians. The game will be Saturday 4:00PM at home. Hope to see everyone there supporting our Wildcats.

**105 Blue 0 Conestoga 23** - No report

**105 White 6 Bristol 21** - The Cats welcomed back Nick Tarrity this week after missing three weeks to a hand injury. They hosted Bristol for the Saturday night game under the lights. The Cats fought hard for a while against the Wardogs, but couldn't overcome their ground attack. The effort was there as strong play by Hunter Lake, Croix Robinson, Mark Shapcott, Brendan Jordan, Evan Kortick was evident, but they just couldn't contain the outside against the speedy backs. Great effort on the part of Dan Ballester, Quentin Davis, Ryan Green, Sean Devonshire, Vinny Napoli and Tony Mack stuffing the middle on the muggy night. The "O" was grinding it out all night and it finally paid off as the "Blue offense" led by Anthony Lizotte, Eric Zimmerman, Eric Kevlak and Brendan Jordan and Nick Tarrity sustained a fourteen play drive as Evan Kortick punched it in.

**105 Silver 13 Conestoga 6** - No report

**120 Blue 25 Palisades 6** - The 120's did it again. Despite the dreary weather, the Cats tackled the turf with fire. The Palisades Pirates definitely felt the burn. Penndel started with the ball, but it took us a little bit to get warmed up and used to the turf. At the end of the first quarter, the score was still 0 to 0. The second quarter saw the defense working hard to keep the Pirates at bay. The Pirates were able to get the first touchdown of the game but we stopped the extra point. At that point the Cats said this is enough, Kieron Hardrick went to task with a great sack to the quarterback. The game was definitely Breon Clark's from there with a game total of three touchdowns. Kieron added the extra point. Nick Zaino was alive on both offense and defense. Ryan Mongillo and Matt Bianchino were so aggressive on defense that a sea of pirates was no trouble for them to handle. Cale Kitchenman came up big with an amazing catch in the fourth quarter. J.P. Fay had the final say with the ending touchdown. The pirates scored one more TD with time expiring. The game ended with a score of 25 to 12. We definitely sent the pirates back to their ship. Next week it is Quakertown's turn to feel the power of the 120's.

**135 Blue 25 Quakertown 14** - No report
